State
Legislature
2005

adoption the United Nations declaration on the rights of indigenous peoples.

WHEREAS, the Hawaiian archipelago, stretching from the island of Hawaii to Kure Atoll, was Polynesian settlers over 2,000 years ago; and

WHEREAS, over the centuries, these settlers thrived until they numbered in the hundreds of thousands;

WHEREAS, a culture and people unique to Hawaii, later to be recognized as kanaka maoli, emerged;

WHEREAS, during this time, a strong cultural identity combined with political sovereignty;

WHEREAS, various native Hawaiian governments formed and changed according to the will of their native leaders; and

WHEREAS, over the years, the Legislature has been committed to preserving and perpetuating their cultural, traditional language, practices, and beliefs; and
Human Rights Day at Hawaii State Capitol

At 12:00 p.m., we will have our annual discussion on human rights issues in Hawaii and the world. The Human Rights Forum will take place in Room 328. The highlight to commemorate the 10th Anniversary will be the Robert F. Kennedy Human Rights Speak Truth to Power Digital Exhibit and Poster Exhibition of Human Rights Heroes to launch the forum.

United Nations (UN) established the Universal Periodic Review (UPR) in 2006 to review ninety-three UN member states, with the goal of improving human rights; and

UN member state appears and actively participates in the UPR hosted by the UN Human Rights Council a decade, with each review cycle lasting four and a half years; and

United States appeared at the UPR in 2010, 2014, and most recently on November 9, 2018.

President under NBRF and 24 recommendations have been suggested to improve and produce a positive impact.

The island state is a multicultural population from around the world, respecting diversity, cherishing our natural environment, and recognizing our unique role in the United Nations.

The island was considered in 1944 by President Franklin D. Roosevelt as a potential host for an Asian trade hub; and...
The Hawai‘i State Legislature calls for a Fossil Fuel Non-Proliferation Treaty

Hawai‘i is on path to become the first state in the US and the world and the first Pacific Island to endorse the proposal for a global plan to manage a fast and fair phase out of coal, oil and gas.

RELEASE, FOR IMMEDIATE RELEASE, May 5, 2022

Hilo – The Hawai‘i State Legislature has adopted a resolution calling for the State of Hawai‘i and all counties to endorse the Fossil Fuel Non-Proliferation Treaty. Hawai‘i was the first US state to make a Climate Emergency Declaration...
